GRTL Website Parent Area & Login

Our New Parent Login Section of the website is packed full of fun activities, resources and documents to help parents engage in home learning with their child.

On the **Dashboard,** you will notice that we have included each of the Getting Ready to Learn themes, and have created topic sub folders so that it is easy to find the ideas and resources you need.

There is also an SEN Parent Area, which is organised across the four Getting Ready to Learn themes. The EA Early Years Inclusion Service provided us with many lovely resources, which would be of interest and benefit to all parents.

How do I access the Parent Area?

1. Visit the GRTL Website Homepage at www.gettingreadytolearn.co.uk

2. On the top left, select '**Sign In/Create Account**'

3. Enter your details, and select 'Parent' when registering for the first time. You will be asked for the name of your child's preschool, and the postcode (*this helps us differentiate between settings with similar names!*)

4. Enter the invite code provided

5. You will then receive an automated email, with a link to **activate your account**.

6. That's it, you're all set!
